Resources for Transgender & Non-Binary Students

Oklahoma State University takes pride in being a gender diverse campus with numerous resources available to the student community. Alongside OSU resources, you will find some of our many annual events to celebrate our trans campus community.

Housing

Both traditional living gender-based housing and single-occupancy, private bathroom style housing is available on campus; however, single-occupancy housing is more expensive. **Students are not required to leave housing that is aligned with their gender assigned at birth if they do not identify with that gender.** Requests for housing changes – to gendered housing or to single-occupancy housing – are handled on a case-by-case basis, and Residential Life consistently meets students with support and acceptance. For assistance with this process, contact Irissa Baxter (contact information on back).

Name Change on Student Records

**If name and/or gender marker has been legally changed:** Fill out the Correction or Change of Information form on the Registrar’s website.

**If name has not been legally changed:** OSU emails can be changed at any time. Chosen name can be added to the online system for purposes of the directory; however, the directory will show the student’s legal name with the chosen name in parenthesis. Class rosters and the online classroom system only show legal names and do not include chosen names. Student IDs cannot be changed without a legal name change.

Mental & Physical Health

A biweekly Transgender Support Group is by a doctoral candidate in the Counseling Psychology program. The location is kept confidential and can be obtained by contacting Irissa Baxter (contact information on back) or Oklahoma State Queers and Allies.

OSU Health Services is available for routine health needs and prescription refills. For a list of local doctors and endocrinologists recommended by trans community members, please contact Irissa Baxter (contact information on back).

Annual Events

Many events are offered during the year to celebrate the trans community on campus:

- Pride Week
- PRISM: LGBTQ & Female Artists Art Festival
- LGBTQ History Month
- Transgender Week of Awareness
- Transgender Day of Remembrance
- National Coming Out Day
- Second Chance Prom

Anti-Discrimination Policy

Oklahoma State University’s anti-discrimination policy includes “sex, sexual orientation, genetic information, gender identity or expression” and “[t]his provision includes, but is not limited to admissions, employment, financial aid, and educational services.” For the full anti-discrimination policy, please see [www.eeo.okstate.edu](http://www.eeo.okstate.edu)

Bathrooms

Individuals are welcome to use the bathroom with which they identify. OSU has single-use, all-gender bathrooms in many buildings around campus, and is regularly adding more. For a list of these bathrooms, go to [equal.okstate.edu/all-gender-restrooms](http://equal.okstate.edu/all-gender-restrooms). Please note that they may have either ‘all-gender’ or ‘family’ placards on them.

Clothing

The Office of Multicultural Affairs has both a clothing closet and a transgender-specific clothing collection titled the Trans Trunk. The Trans Trunk is supplied with clothing that is specifically needed by transgender students, including chest binders, bras, packers, etc. To access the closet, please contact Irissa Baxter (contact information on back).
