Transgender & Non-Binary Student Information

Housing:
Both gender-based and single-occupancy housing is available on campus; however, the latter is more expensive. Students are not required to leave housing that is aligned with their gender assigned at birth if they do not identify with that gender. Requests for housing changes – to a different gender housing or to single-occupancy housing – are handled on a case-by-case basis, and Residential Life consistently meets students with support and acceptance.

Bathrooms:
Individuals are welcome to use the bathroom with which they identify. OSU has recently implemented single-use, all-gender bathrooms in many buildings around campus. For a list of these bathrooms, go to equal.okstate.edu/all-gender-restrooms. Please note that they do not have all-gender placards on them.

Information for Name Change on Student Records:
If name and/or gender marker has been legally changed: Fill out the Correction or Change of Information form on the Registrar’s website: registrar.okstate.edu
If name has not been legally changed: OKState emails (typically: “firstname.lastname”) can be changed at any time. Preferred name can be added to the online system for purposes of the directory; however, the directory will show the student’s given name with the preferred name in parenthesis. Class rosters and the online classroom system (D2L) only show given names and do not include preferred names. Student IDs cannot be changed without a legal name change.
