Division of
 Institutional
 Diversity

Academic Excellence

OMA through its programs and services is committed to academic excellence as well as a balanced education of all OSU students.

Vision

The Office of Multicultural Affairs will

- engage students in initiatives designed to ensure their academic success
- promote and enhance multicultural opportunities for the campus
- prepare students to live and work in an increasingly diverse and global society
- cultivate more culturally sensitive climates on the campus and in the Stillwater community

Scholarships

- OMA First Year Scholarship
- OMA Undergraduate Leadership Scholarship
- OMA Undergraduate Continuing Scholarship
- OMA Transfer Scholarship
- Dr. Howard Shipp Jr. Scholarship

Services

OMA provides a broad spectrum of developmental experiences to minority students, faculty and staff. Support services include individual and group advisement, skill building workshops, and consultant services.

Available services include:

- Academic Development
- Personal Development
- Leadership Development
- Scholarship Information
- Coordinate Cultural Programs On/Off Campus
- Undergraduate Scholarship Program
- Collaborative Efforts with the following departments:
 - Career Services
 - Counseling Services
 - Residential Life
 - RISE
 - ILP
 - Academic & Career Development Center
 - Student Disability Services

Programs

Appreciating Differences

Early in the fall semester students are introduced to the programs and services available through the OMA office and the major campus organizations representing minority groups.

Institutional Diversity Honors Convocation

ID sponsors an Annual Multicultural Honors Convocation to recognize and encourage those students who have demonstrated a high level of academic performance and exemplary leadership.
